## SPACES *for* LIVING

EST 1972

## WELCOME TO NORELCO

At Norelco, we understand that it is not just about cabinets. It is about creating a personalized living space that will tell your story and show your style. It is a journey that will bring your dream to reality and it involves thorough planning and preparation. And to reach that goal, it requires someone that can share your vision while providing the essential design and technical guidance.

That is what we are here for. We will help you along every step of that journey.

## FROM OUR PRESIDENT

It is an honour and a privilege to serve as President of Norelco Cabinets and lead a talented and award-winning team of professionals committed to serving our clients with excellence as we celebrate 50+ years in the industry. We manufacture exceptional cabinetry and I am extremely proud of what we have been able to accomplish within the industry with our craftsmanship.

We are experts in finding inspired and innovative solutions and will collaborate with you to dream and create your unique living space. Every day our team focuses their care and attention to ensuring your cabinetry will not only meet, but will exceed your expectations. That is our passion and every team member is on this mission.

Known for our dedication and commitment to our craft, we are proud to be a high volume manufacturer that is able to produce custom cabinetry for our customers across Western Canada and the US from our plant in the Okanagan. We only use the highest quality construction techniques and materials to ensure that our client's spaces stand the test of time.

I cannot express how much we appreciate the trust and confidence that our clients have placed in us. I invite you to contact us to discuss how we can serve your needs and welcome you to become one of our highly satisfied customers.

We look forward to meeting you!

PROUDLY INTERNATIONAL

Serving the Okanagan, Western Canada, Western USA, including the Hawaiian Islands.

## WHY CHOOSE NORELCO

At Norelco, our people are our strength and we stand behind our products and workmanship 100%. We are proudly committed to excellence and our primary goal is to ensure complete customer satisfaction by offering solution-driven services with integrity you can trust. We will go above and beyond to make sure your experience is enjoyable and your end product exceeds your expectations.

## QUALITY YOU CAN COUNT ON

Norelco Cabinets manufactures quality products designed to provide a lifetime of service and satisfaction. We stand behind our craftsmanship with comprehensive warranty coverage, ensuring our products are free from defects in material and workmanship as outlined in our Limited Warranty.

## SOCIALLY RESPONSIBLE

As active members of the Kelowna Chamber of Commerce, The Canadian Home Builders' Association and of the Canadian Kitchen Cabinet Association, we are supporting the drive to carry out many of the initiatives and special projects on behalf of these highly regarded community involved associations.

Norelco Cabinets... helping to make a difference!

Canadian Home Builders' Association

Finish: Black Onyx Custom Stain

## SUSTAINABLE FUTURE

Norelco Cabinets is committed to using premium quality material sourced from North America and Europe that improves global sustainability with our advancing products. We source Canadian raw materials and turn them into finish good and export globally, all while promoting green products including reconstituted veneers that removes the need to harvest old growth forests.

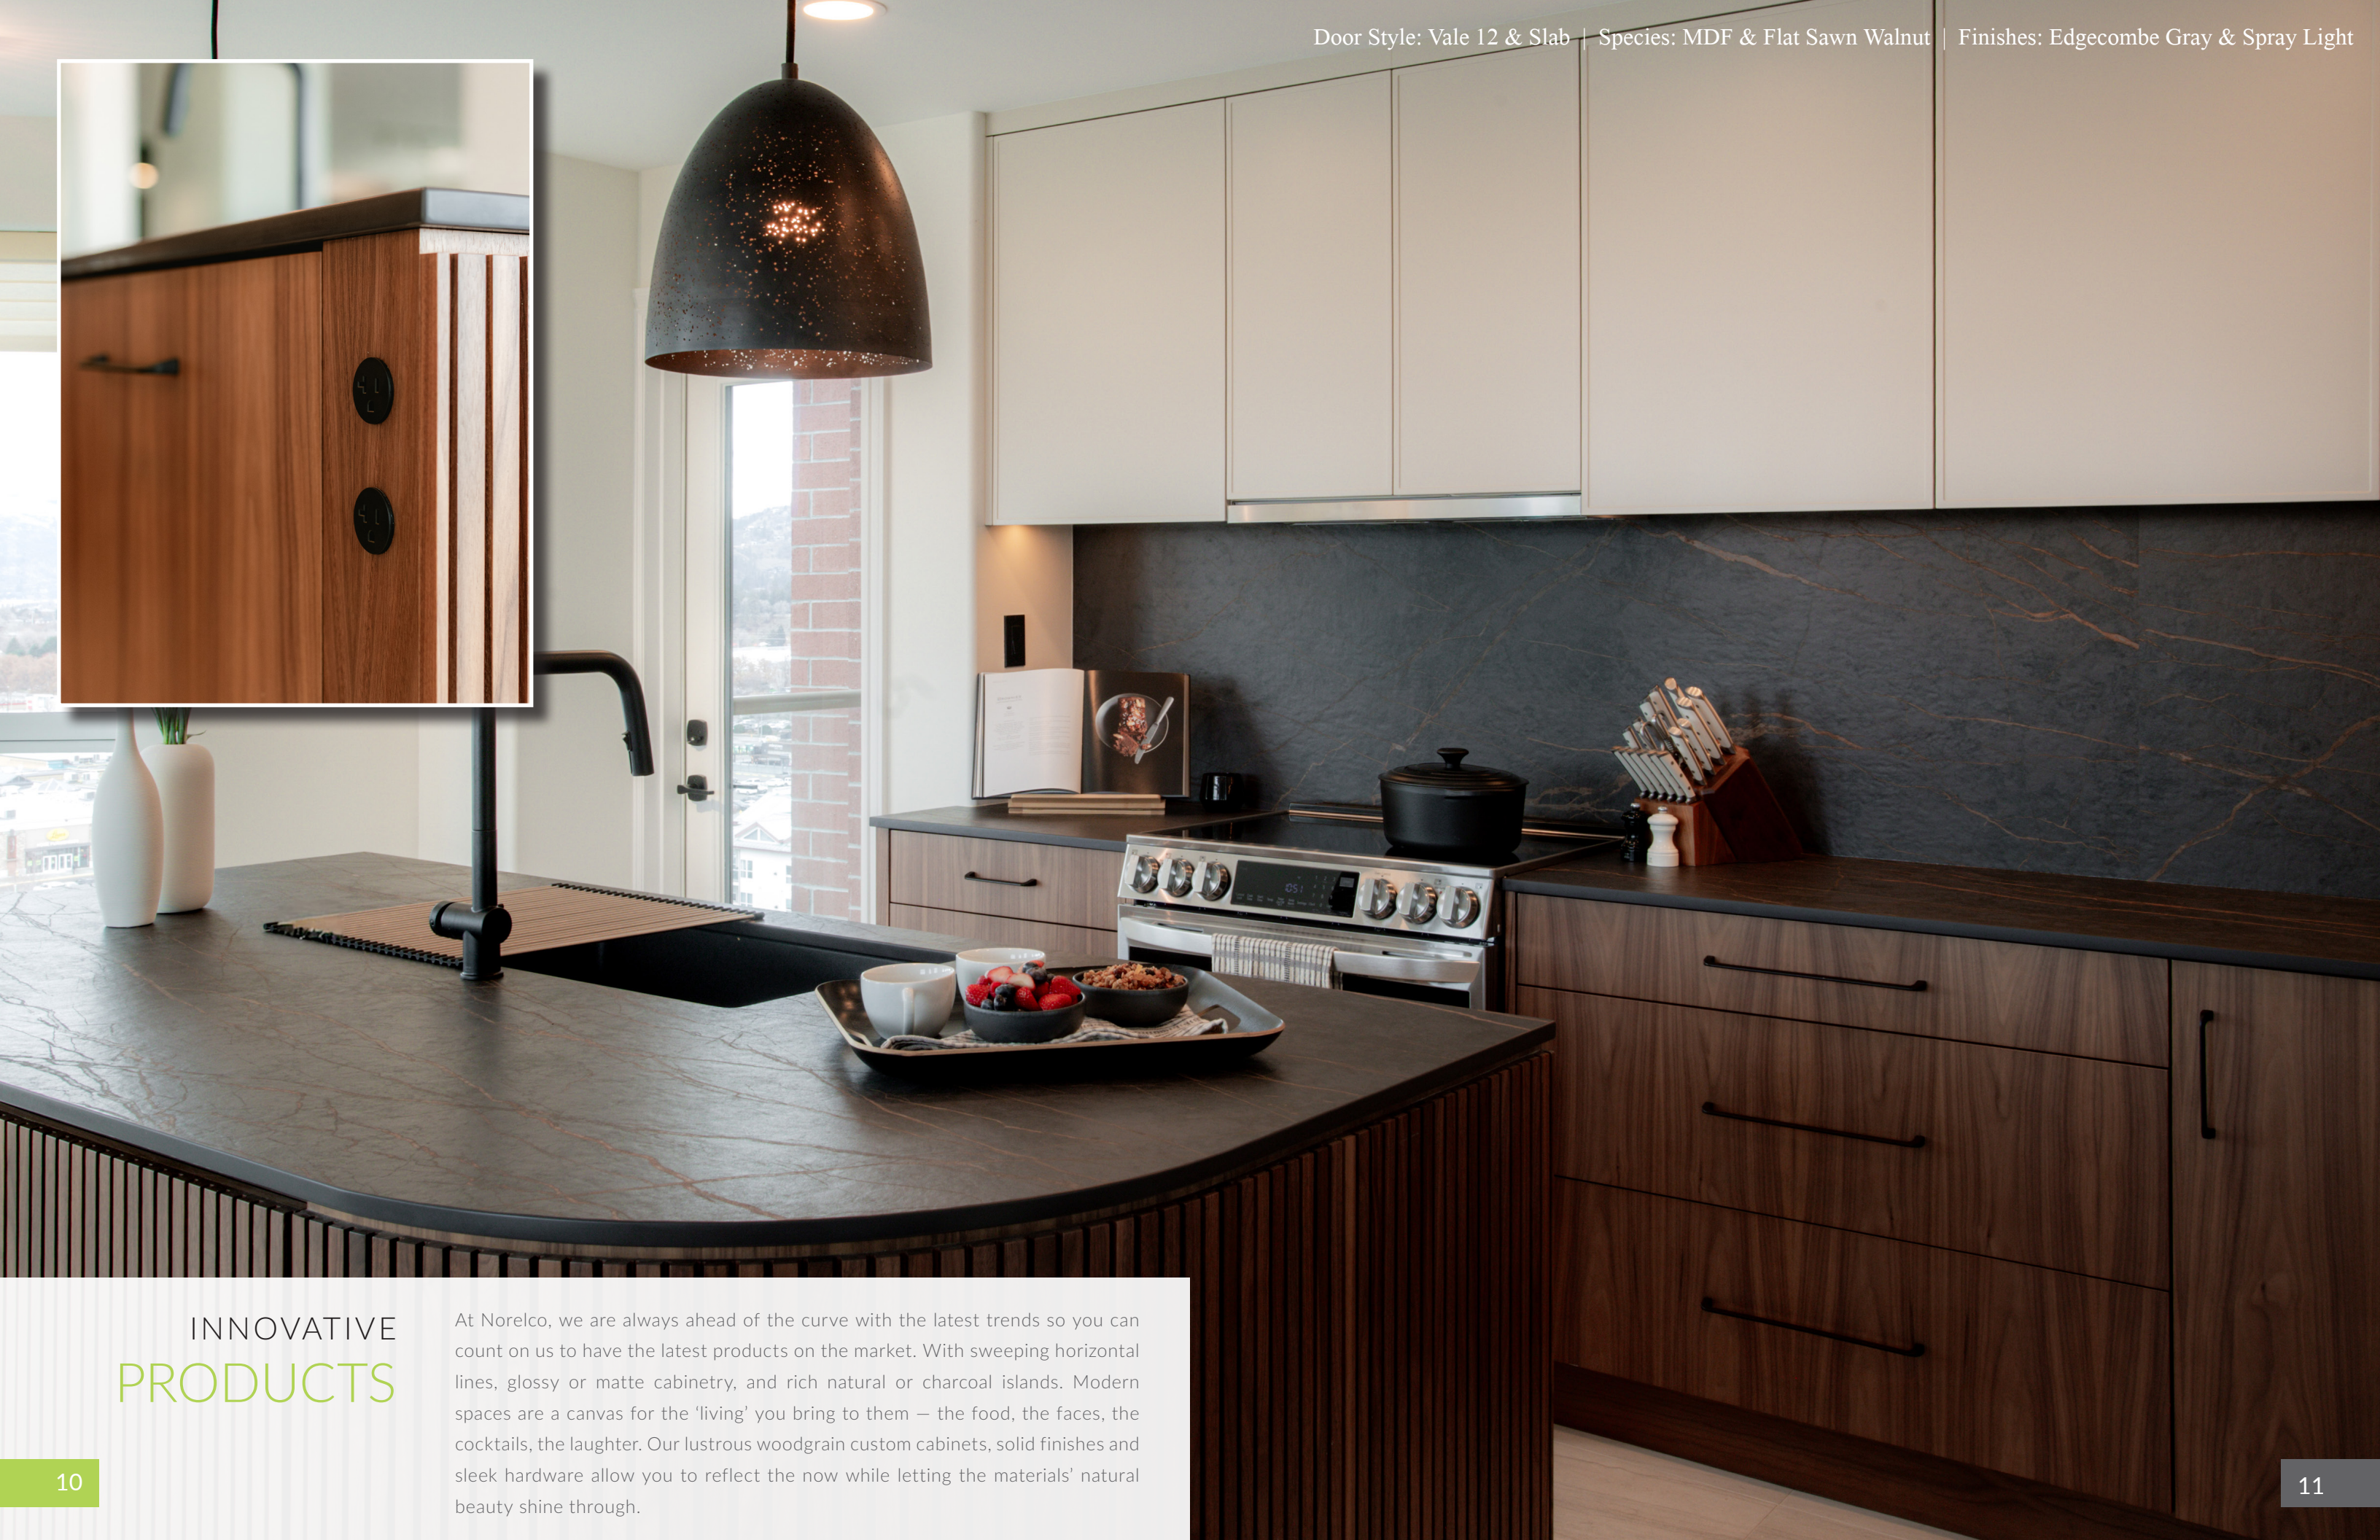

Norelco is a Canadian manufacturer that proudly uses many domestic plywoods made in Canada. All of our export material in pro-core has soy-based adhesives eliminating urea-formaldehyde, which drastically reduces the release of VOCs. Norelco uses UFA and CARB II Certification material, along with purchasing products that are part of Built Green British Columbia.

## ENVIRONMENTALLY RESPONSIBLE

Norelco is environmentally responsible by offering wood products that are FSC (Forest Stewardship Council) and is dedicated to promoting the preservation of the world's natural wood resources in the harvesting, shipping, and manufacturing processes.

## INNOVATIVE PRODUCTS

At Norelco, we are always ahead of the curve with the latest trends so you can count on us to have the latest products on the market. With sweeping horizontal lines, glossy or matte cabinetry, and rich natural or charcoal islands. Modern spaces are a canvas for the 'living' you bring to them – the food, the faces, the cocktails, the laughter. Our lustrous woodgrain custom cabinets, solid finishes and sleek hardware allow you to reflect the now while letting the materials' natural beauty shine through.

# NORELCO

ISLAND CABINETRY

From the Western United States and Alaska to the Hawaiian Islands, Norelco's work extends far beyond our Canadian roots. Our cabinetry supports luxury residences, resort properties, and large-scale developments in some of the most architecturally distinctive regions in North America.

With more than a decade of active projects across Hawaii, our commitment deepened in 2026 with the launch of Norelco Island Cabinetry and the establishment of a cabinet shop in Kailua-Kona on the Big Island. This presence strengthens long-term project support across the Big Island, Oahu, Maui, and Kauai, reinforcing our ability to deliver refined, design-driven cabinetry at an international level.

## WE DO RENOVATIONS

The art of reviving an old kitchen brings a unique feeling of accomplishment. For us, a renovation is more than just updating the look; it is an opportunity to recreate a space with endless possibilities - a space for living.

Let us help you with your renovation. From design, to planning, to finished product, we have the experience and expertise to work with you and other professionals to transform your home into your dream.

This featured project is an award-winning kitchen renovation.

# Wood Species & Materials

**MAPLE** features a smooth, fine grain with a clean, uniform appearance. Its light tone and subtle texture make it a versatile choice, ideal for both stain and paint in a wide range of design styles.

Regal, Maple,  
Burnt Walnut, S&W, 10° LAQ

**RIFT WHITE OAK** features a clean, linear grain with minimal patterning for a refined, contemporary look. Its consistent texture offers subtle warmth while maintaining a modern aesthetic.

Kali, Rift White Oak,  
Antique Barrel, S&W, 10° LAQ

**FLAT SAWN WHITE OAK** showcases classic cathedral grain patterns that bring depth and natural movement. It balances warmth and character across a wide range of styles.

Legacy, Flat Sawn White Oak,  
Perfect Brown, S&W, 10° LAQ

**RED OAK** displays a bold, open grain that highlights natural texture and depth. Durable and dependable, it accepts stain beautifully to enhance its distinctive pattern.

Shaker, Flat Sawn Red Oak,  
Urban Soho, S&W, 10° LAQ

**HICKORY** is known for its striking colour variation and dramatic grain movement. From light cream tones to deeper browns, it creates a bold, natural statement that adds warmth and texture to any space.

Mission 19, Hickory,  
Cream, S&W, 10° LAQ

**CHERRY** offers a smooth, refined grain with rich, warm undertones. Over time, it deepens beautifully in colour, developing added character and depth as it ages.

Ivens, Flat Sawn Cherry,  
Greystone, S&W, 10° LAQ

**SAPELE** features a tight, interlocking grain with subtle ribbon-like movement. Its rich tone and elegant texture make it a sophisticated choice for refined, design-forward spaces.

3/4" Slab, Sapele,  
Natural, S&W, 25° LAQ

**WALNUT** is prized for its rich, deep tone and refined grain pattern. With a naturally sophisticated look and beautiful depth, it adds warmth and elegance to both modern and classic spaces.

Nova, Flat Sawn Walnut,  
Sweet Honey, S&W, 10° LAQ

Door Style: Mission 19 | Species: Flat Sawn Red Oak | Finish: Soft Chamois - Fogged

Door Style: Mission 25 | Species: Flat Sawn Walnut | Finish: Natural
